BLONDE OF THE MONTH

Lei thought Jay's SANESA classes were on Saturday and Shawna had hers on the Sunday. She didn't enter Jay this time as he had his graduation on Saturday so he couldn't ride. On Saturday, Mariska phoned Lei to find out where Shawna was as her class was about to start. Lei told Mariska that Shawna was with her and she thought she was only meant to ride on Sunday. She had their riding days mixed up! Both kids missed their classes when they actually could have ridden.

Liat arrived at Eaton Farm to take part in his SANESA classes only to find no activity at the venue and phoned Mariska to find out where everyone was. Liat was meant to be at KEP!
