ACHIEVER OF THE MONTH

Well done to **Ava** who now has all three of the Phaeton Park floating trophies on display at home! Not only is she the current holder of the Dressage Pairs and Overall Victor Ludorum trophies, she has recently taken home the Multi-discipline Show Victor Ludorum trophy as well.

BLONDES OF THE MONTH

Beth walked up to a vehicle in the parking lot, opened the door and jumped straight in catching the driver by surprise. What Beth thought was her Uber ride, was actually someone waiting for a friend to finish riding so they could go for coffee!

Kelly was in a panic at the last SANESA event. She'd collected all the grooms' tips and put them in her purse but it was nowhere to be found. She searched her car, bags, everywhere she could think of but with no luck. In a final attempt to find it, she zoomed off home to look. She found it all safe and sound at home.

After completing her course in a lesson, Natalie asked **Sonja** where she had gone wrong. She acknowledged she had jumped the oxer backwards and went off to do the course again. Sonja again jumps the oxer backwards with Percy clearing the backwards oxer beautifully for a second time. So Natalie made her do it again. This time she rode Percy in the correct direction but then they had a stop at that oxer!

At a recent show, **Lindy** asked Natalie where her horse was. Natalie pointed her in the direction and Lindy went off to say hello. Lindy started shoving buckets of carrots down some random horse's throat with a perplexed looking groom standing by. She wondered why some other groom was with her horse and not Hilary but soon realised that it wasn't her horse!
