JUNE 2020

HORSE AND PEOPLE NEWS

We are delighted to see things slowly return to normal here at Phaeton Park. We also think the horses and ponies are happy to have their riders and owners back as well!

We already have some new horse and rider partnerships. Congratulations to Danna on her new grey mare, Gitania K as well as to our new baiters: Daniella who is baiting Hardy and Olivia is baiting Denver. We would also like to welcome back to the yard, Nicole who is baiting Ozone. Nicole's sister, Sofia, has also started riding with us.

COVID-19 COMPLIANCE REMINDER

Phaeton Park Covid-19 compliance rules and regulations to ensure safe and enjoyable riding.

1. Only come to the yard by appointment for your lessons. The purpose for coming to the yard is to ride, not socializing or visiting.

2. We do need to keep numbers to a minimum, so only the person riding or child with one parent to come. No friends, partners or siblings.

3. Continue to arrange with your groom to have your horse tacked up and collect him at the crush. When finished riding, unsaddle at the crushers, feed carrots and leave. The grooms will do the rest. Please try to avoid going anywhere near the stables and only go to the bathroom when necessary.

4. When you are not riding, please wear a mask that covers your nose and mouth.

5. There is a box at the gazebo, with a thermometer and register. On your way in, please take your temperature and fill in the register. Remember to always use your sanitizer.

6. Remember your social distancing from each other and especially the grooms.

7. Let's enjoy our horses, lessons and riding. Under normal circumstances, we love having you here, but for now we have to follow these regulations. Please stay safe and healthy!
