BLONDE OF THE MONTH

Shannon always has a lesson every Wednesday afternoon, Friday afternoon and Sunday morning. When she said goodbye after her Wednesday lesson, Natalie said: "See you on Friday afternoon."

On Friday, Shannon arrived for her lesson early. Very early, a few hours (or days?) early... She was on her horse and warmed up by 8am. Natalie asked why was she riding so early, her lesson wasn't until the afternoon. It turned out that she actually thought she was there for her 8am Sunday lesson!

Heather also arrived early for her Sunday lesson. When Natalie saw her there just before 7am she asked why was she there so early as the lesson was only at 8am.

Heather then realised that she had set her clock wrong. She'd had load-shedding the day before and mistakenly reset the clock to be an hour early.

Vee sent **Nicholas** off to the shop with her card to buy a spare part for the weedeater. He returned to the yard with a brand new, entire weedeater!
