JULY 2021

HORSE AND PEOPLE NEWS

We hope you are all keeping warm, these last few days in July have certainly made sure we remember that it is winter!

Congratulations to our new baiters: Claire is baiting Ozone Man, Gareth is baiting Fair Trade, Mila, Bella and Annabelle are all baiting Pot Luck, Milla is baiting Ozone Man and Summer is baiting Griffin.

Bibi now owns the chestnut Arab, Scherezade. We wish you many happy riding days ahead.

TACK ROOM SECURITY

We have recently upgraded the security system on our tack rooms but we still strongly recommend you at least have your tack insured.

PERSONAL BELONGINGS

Please always ensure you put your personal belongings somewhere safe while riding and check you have everything with you before you leave the yard. Feel free to make use of the lockers located next to the vending machine.

Remember to clearly mark all your bags, equipment and tack. This is so, in the event something is misplaced, it can be easily identified and returned to the rightful owner.

BLONDE OF THE MONTH

Nicky arrived at the stables for her lesson and realised that she had left her chaps at home. So she had to rush off to Western Shoppe to get another pair in a hurry for her lesson. She spared no expense! She turned up for her lesson with shiny new ones with a bling diamante detail.
